

# Nimbin Show - a great community day, full of interest

## Statement by the President

On behalf of the Nimbin Show Society I would like to thank all the people who made this year's Show a great success. With the excellent exhibits and participation in the inside and outside events, our locals and visitors can be proud of the results that were achieved on Saturday 22nd September. To all the volunteers, officials and judges who give their time free of charge, a big thank you, there is a lot of work to bring it all together. Hopefully next year equine flu will be eradicated and the Show can get back to the two full days of entertainment.

# Creative pursuits - a great range of things to see and do

Last year's Coraki Tee Tree Art Prize Best in Show, 'Transience' photo by Stephen Blanch (far left, this year's entries close 15th October); heartfelt lettering from the Chalk4Peace Day, and Katherine Hawkins' photo of Sebastian Sledge and his son Tyson, winner of the high school section of the national 'Thanks Dad' Fathers' Day photo competition. The rest of the photos on this page are self-explanatory, aren't they?
