**S'cool holiday films on the big screen**

By the time you set your eyes on this article, one week of the NSW school holidays will already be over. That's one week of kiddie- and family-friendly movies on show at the Nimbin Bush Theatre that you may have already missed.

Luckily for everyone, there's still another week of movies to be screened during the second week of the holidays, as well as the venue's monthly film night on Friday 10th July.

For the toddlers and tweens, the last half of the mid-year school hols will see the gorgeous G-rated films, *How To Train Your Dragon* (on Tuesday 7th July) and *Charlie & the Chocolate Factory* (on Thursday 9th July), both starting at 11am.

For those blossoming teenagers (and adults alike), the more challenging *Hunger Games* will show on the Tuesday 7th from 1.30pm, and the iconic animation, *Avatar*, will close the Theatre's set of daytime holiday movies on the Thursday (9th July), also at 1.30pm (both are rated M).

As per usual, the Phoenix Rising Café (next door to the Theatre) will be open from 9am through to 4pm, should parents and others wish to spend time close by until their offspring are done with film-watching.

And whilst this tasty selection of cinema for the young at heart is still appealing for adult minds, the Bush Theatre's monthly movie night will see a more mature piece of cinema screened

on the night of Friday 10th July: the hilarious Australian movie, *The Mule* (rated MA), starring Hugo Weaving and Angus Sampson, apparently based on a true story from the 1980's. In a way that only Australian films know how, *The Mule* invites us to join an inept first-time drug smuggler on a darkly comical romp as he struggles to prevent his body from surrendering its illegal cargo into the hands of Australian Customs officials.

Tickets for all movies are available for purchase either at the door or online at: [www.nimbinbushtheatre.com/events](http://www.nimbinbushtheatre.com/events) including a meal'n'movie deal for the monthly movie night, and a complementary serve of popcorn for the daytime holiday movies.

## NAIDOC Day celebrations in Nimbin

by Amber Seccombe

Nimbin will celebrate NAIDOC day in style again on Friday 10th July, from 10am to 2.30pm in Allsopp Park, Nimbin.

The event officially begins with a community walk from the hospital to the park. Please feel free to adorn yourself in your finest red, black and yellow as we acknowledge and stand in support of Indigenous brothers and sisters from around Australia, particularly those in communities affected by recent political bullying and forced closure.

Once again we are blessed to host a great variety of local talent including Blakboi, Billy Smith and Dhinawan and son. Local custodians will open the celebrations and no doubt provide plenty of Goorie humour to the mix!

Come with family and friends, stretch out in a sunny spot, sample some of the tasty food available, have a dance or just soak in the culture and good vibes. There will be a covered Elders space with a good supply of fresh tea and comfy

Smoking ceremony at last year's NAIDOC celebration

chairs available throughout the day.

The celebration will acknowledge the national NAIDOC theme for the year: 'We all stand on sacred ground; learn, respect and celebrate'. It is with gratitude and deep respect we acknowledge the Original custodians of this area, Elders both past and present, all Aboriginal

and Torres Strait Islander people of this region and the Ancestral Spirits that reside alongside us each and everyday. Yoway!

If you would like to volunteer on the day or make any further enquires please contact Nimbin Aged Care and Respite Services on 6689-1709.

## Arakwal NAIDOC Week film screening

The Arakwal Corporation, Flickerfest & iQ are thrilled to present a selection of inspiring aboriginal short films selected from the finalists of Flickerfest 2015. This programme will take you on a special journey with some of the freshest aboriginal filmmakers today. Highlights include:

*Bush Mechanics* – In the central Australian desert, four Warlpiri men travel to visit a powerful elder at a remote outstation. On the road they must overcome mechanical mishaps and the trickery of a mischievous spirit. It will take all of their bush ingenuity to keep their car running and themselves alive.

Bush Mechanics

*One Fine Day* – Trying to stay strong for her family on what proves to be a distressing and difficult day, a young woman comes to realize that some things in life are beyond her control. All that is left is love and hope.

*High Tide* – Can Jamie set his fishing line aside for one night in order to catch the girl

of his dreams?

*How Do We Get to Space: Love Punks & Satellite Sisters* – Something is happening in one of the hottest & most remote places of the world... In the small Aboriginal community of Ieramagadu (Roebourne), Western Australia, an unlikely group of 11-year olds wearing found

objects, wacky hats and face paint create the world's first Aboriginal interactive comic book, NEOMAD.

Come along and enjoy these unique stories from incredible aboriginal filmmakers and support the celebration of the culture of our first Australians in NAIDOC week with this programme of amazing films screening 6.30pm, Tuesday 7th July, at The Byron Theatre.

It is a fundraiser for the Arakwal Corporation and supported by the Indigenous Coordination Centre.

Tickets are available at The Byron Theatre and online or at door. \$10/8 concession.

Details/info: [www.iQ.org.au](http://www.iQ.org.au) or 0414 779881.

# Over the airwaves

with Bob Tissot

Test... test... Is this mic on? OK... Hello, and welcome to "On Air", a new program for both the receptionally disadvantaged as well as our regular glued-on, frequency-modulated aficionados. Each month (hopefully), I'll be bringing you up-to-date with all the news, scandals and titbits of trivia from NIM-FM. But first, a big, phat reminder... It's July, and everybody's membership is due. \$33 or \$22 concession for 12 full months. That's less than 8c/day. Not a member? Well, now is a great time to join. This could be the beginning of your astounding radio career. We have a couple of lonely time-slots right now just hankering for somebody to love; it could be you. Training is naturally available.

And now, it's time for 'Spotlight', where we get behind the microphone and find out who's doing all the talking. This month we're talking to Sylph (pictured), the voice behind our relatively new program, "Soul Drop" – Thursday 10am – noon. OA: Sylph, so, what attracted you to radio? Oh and welcome to "On Air." Sylph: Thanks Bob. Well, I've wanted to do a radio show since I was 12. I started listening to Reggae and Hip-Hop and I remember thinking how cool it would be to have my own radio show. But even before that, I'm not sure how old I was, I heard *This is Love* and it just floored me. OA: That would be Bob Marley? Sylph: Yes. From the *Kaya* album. There was also a lot of Motown and soul in my life back then. OA: Anyone in particular? Sylph: No. All of them! Lots of people move me but particularly the old Motown love songs. The passion with which they're sung and arranged makes them

timeless. True love songs, and they've inspired so much soul, R & B, hip-hop and trip-hop. I'll be listening to something new and urban and I'll be thinking "What is that in the back?" and it'll turn out to be some soul poetry from the seventies. OA: And what does Sylph do when she's not behind the microphone? Sylph: Visionary Art, Bob. At festivals and things like that. But I've been doing that for a long time and right now I'm taking a bit of a break. Focusing on my show, which is my joy right now. OA: And it's a joy tuning in on a Thursday morning Sylph. Thanks for chatting. Sylph: Thanks Bob.

And now, getting a little musical, my recommendation for the month is *Dirty Soul* from Chich and the Soul Messengers, a CD which was recorded live over the

weekend of Valentine's Day at Linear Studios. This Sydney 4-piece consists of Chich on the vocals and Simon Morel, Yann Charavel and Brad James on guitar, bass and drums. This CD is absolutely solid soul. You can hear it at: [www.chichmusic.com](http://www.chichmusic.com) Free stream of the whole album. Then you can buy it. Nice work gents. Another CD worth the listen was *Classic Stellar Overdrive* by The Psyde Projects, a trio of beatmasters from Melbourne. To quote from the web page, D'Fro, ILResponce and Mr Moonshine's music is littered with catchy hook lines and punchy rhymes that send dance floors stir crazy while the "heads" still get to head bang. Amid all this, global conquest is not far from their thoughts. Some call it hip-hop and some just call it hip. That's it for me. 'Til next time... Ciao.

## Unusual friendship

The Nimbin Flix movie presentation in July is *The Lunch Box*. Lonely housewife Ila (Nimrat Kaur) decides to try adding some spice to her stale marriage by preparing a special lunch for her neglectful husband. Unfortunately, the delivery goes astray and winds up in the hands of Saajan (Irrfan Khan), an irritable widower. Curious about her husband's lack of response, Ila adds a note to the next day's lunchbox, and thus begins an unusual friendship in which Saajan and Ila can talk about their joys and sorrows without ever meeting in person. Dialogue in Hindi with English subtitles. The movie will show on Saturday 18th July at Birth and Beyond, doors open at 6pm for a 6.30pm show. Warm food and drinks are also available on the night. Come and try our new and comfortable chairs.

## The world according to Magenta Appel-Pye

### Little Ukulele Miracles

My oldest student, 91 years young, Ray Ellis pranced into my seniors ukulele class, hugged and kissed me and said, "Thank you Magenta." "What for?" I asked. "You gave me the ability to do my first solo gig ever!" Ray gave up the mandolin at 75 because he could no longer remember songs. On his 88th birthday, his daughter gave him a ukulele to stave off the Alzheimer's. At my seniors class, he realised how much fun the ukulele was, and bought himself a

device to record the songs to practice at home. Ray went to the Canberra Folk Festival and attended the daily ukulele workshops. They offered him a solo spot on the big stage. Always one to push his comfort zone, he accepted. On stage, his hands were shaking so much from fear, he wondered if he would be able to play. He told the audience he needed to use his device to sing along with because of his memory loss. He started, but realised he had forgotten to turn it on and admitted it, gaining a laugh. He performed 'The Rose' with all his heart and soul. At the end there was silence. He thought they mustn't have liked it, stood up and took off his uke strap, when a deafening roar of applause engulfed him. The audience were stunned, delighted and inspired by this brave man. The next artist came on and said, "How am I going to follow that?" A lady came up and said 'The Rose' was her favourite song and burst into tears. You always know you've got them if they cry. Ray told me if someone had predicted he would be performing a solo gig singing and playing the ukulele at 91 years old, he never would have believed them.

by Marilyn Scott

Certainly was a big Solstice. I felt it approaching, 'A Big Healing Gathering' were the words I used to invite friends down for a Solstice gathering here at magickal Mahalia. But as with most things, it manifested in its own unique manner. You can get a feel of the vibe, the energy in the air, but how it will unfold in the physical, I reckon, is very difficult to predict, if not impossible. 'Cause the future, and that means the very next minute is always dependent on 'now'. Everything unfolds from where it is. Yes there's chaos in our universe but there's also a lot of order. There are natural laws, universal laws... like the strings/chords of this mighty matrix we find ourselves a part of. It's interesting to listen, or recall, the words that come out of your mouth. I'd often suggest this to clients, when working as a therapist. We always teach what we most need to learn. Words can slip from the mouth without much thought, bit scary really, considering the words we speak and the thoughts we think have such an impact on our life. It's like we're dropping these seeds as we're meandering along... unaware of what we're creating. It was one of the first Astrology books I discovered; I was only young ~ possibly a combination of my innate personality and the early events in my life:

## Opportunity

I was looking for answers, beyond the surface... and being the 1950's surface shine was everywhere. I began with psychology books, devoured them for a while, then I discovered an Astrology book, I recognised immediately it was an ancient science, it was very familiar. The book said something I've always remembered, something like ~ the future cannot be told, the future lies in the hands of 'God'. I understood what it meant. The future is created from today, from now. Yes, we live in dark times... who would have thought that Australia would fall this low. This Ancient, Sacred Land... the original Australians said to be the oldest civilization on Earth, a civilization that loved, nurtured and cared for this sacred land for thousands of years. Our European history hasn't been so grand ~ wars and more wars, famines, greed, dictatorships. A human being removed from his divine source, is a dangerous animal to have around. We all carry a connection to the divine, a real one... not a belief. But when we stray from this, we lose our humanity, we lose our self. So how do we change things? How do we feel empowered? That's important... as feeling

disempowered and fearful creates a victim mentality, and we're not victims ~ we're a human being. If only we knew just how truly amazing that is. If only we knew just what we held inside us. I'm sure there's a purpose in the big scheme of things... for us, as a society, to have fallen so low. In India they call it the Kali Yuga, the darkest age, the Age that precedes the Golden Age. It's been described as ~ the age of darkness, where moral value and mental capabilities reach their lowest point in the cycle. Well, that's evident. But it's also an opportunity ~ when times are dark, the light becomes more obvious... it becomes clear to see what's real. I believe great things are possible now. But it's up to each and every one of us. We are the solution, we are human beings 'created in the image of god' they say. We carry the lamp of the divine within us wherever we go... we need to access this. Not through blind belief, not through dogmas... but we need to know it's real. I've mentioned often that I feel it's the ending of an age and the beginning of a new one... I sense that strongly. We are all being called to stand tall and be the divine human beings we are. Have a great July.

# Nimbin Headers a headache for visiting teams

Headers forward Phil Courtney slots in the opening goal against Workers

by Gary and PAC + photos

**Men's 6th Division**  
**Round 8 Saturday 30th May**  
**Nimbin Headers V Lismore Workers**  
Workers were in top spot and the Headers were third, so this was going to be a juicy encounter.  
On the one-minute mark Workers have a corner and the Headers defence deals with it. Then on four minutes the Headers with some nice passing get the ball to Phil Courtney who slots the ball past a diving Workers keeper who gets his hand to it but can't prevent it from going in on the left hand side of the northern goal, Headers 1 Workers 0.

Then there's a cross from the Headers and a forward nearly gets his head onto it. On the next Headers attack, a shot hits the post. Then it's down the southern end and Workers shoot wide. A free kick for the Headers, and Phil Courtney takes it and the Workers keeper can't hold it and it's headed back at goal, but this time the keeper holds onto it.  
Then it's the Workers with a corner and Kyle Chaplin shoots, trying to chip the keeper, but Nigel Hayes is wise to it and saves. And that ends the first half as Nimbin Headers are just shading it one-nil.  
Early into the second half, Headers get their second goal as a ball is feed through to left wing man Gary Whisker who smacks it past the Workers keeper at his near post. A few minutes later Workers put one in, but it's called offside.  
The next Workers attack produces fruit, as their No. 7 breaks through the defence and slots one in: Headers 2 Workers 1.  
Workers concede a corner and the ball is swung in by Gary Whisker and Headers midfielder Dean Huff heads, just over the bar.  
So after the final whistle, Headers are in second spot and Workers drop down to third as Lismore Thistles won away at Ocean Shores 4-1 to take top spot.

**Men's 2nd Division**  
**Round 8 Saturday 30th May**  
**Nimbin Headers V South Lismore**  
Inside the first minute, Headers live-wire and licence to roam Beau Grabovsky scores, probably one of

Just after the kick-off, Headers forward Beau Grabovsky scores against Souths

the quickest goals I've seen at the Headers ground. Later he gets his second from a lovely cross by Huon Campbell.  
South Lismore gets a corner after the Headers keeper spills the ball after a shot on goal. From the corner the ball is cleared, but Souths get back possession and from a nice cross the ball is smacked into the net to make the score Headers 2 Souths 1.  
Headers' Ori Grabovsky has a shot but it's saved by the keeper.  
The Headers are hammering Souths now, and some nice footwork by Chilo Pike gives the ball to Phil Courtney who bursts through the defensive line and is one-on-one with the keeper. There's only one result, another goal for the Headers.  
Headers midfielder Rye Levy has a run at the defence and fires one in, but the Souths keeper saves, so the half time score is Nimbin Headers 3 South Lismore 1.  
At the start of the second half, Headers forward Beau Grabovsky scores with 20 seconds gone to get his hat trick, now this is definitely the fastest goal at the Headers ground.  
A defensive error at the back lets a Souths forward pounce onto the ball and just helps it into the net, Headers 4 Souths 2.  
Some great passing by the Headers gets the ball onto forward Phil Courtney who gets his brace.  
Phil Courtney is mesmerising the Souths defence now, and makes a lovely pass to Chilo Pike who half-volleys over the keeper to make the score Headers 6 Souths 2.  
The passing by the Headers now is a treat to watch, and a ball from Phil Courtney to Ruben Mack makes the final score Nimbin Headers 7 South Lismore 2.

**Men's 6th Division**  
**Round 9 Saturday 13th June**  
**Casino Cobras V Nimbin Headers**  
With key players missing, the trip to Casino proved to be a fruitless one.  
The Headers never really got going in this match, and the home side took full advantage by scoring two deflected goals against the run of play. Grant Mercer slotted home from 10 yards out to make it 2-1 at

half time. The visitors had plenty of possession, but didn't create many clear-cut chances, and were duly punished by conceding another counter-attack goal. A late goal from Mark Wright made it tight at the end, but it wasn't enough and Casino hung on for a 3-2 win.

**Men's 2nd Division**  
**Round 9 Saturday 13th June**  
**Bangalow V Nimbin Header**  
Before this game Bangalow were on 3 points and in ninth place and Headers were on 15 points and in fourth place.  
With seven minutes gone, Headers forwards combine to open the scoring, with Phil Courtney hitting the ball over the defence for Beau Grabovsky to hit it past the keeper.  
But not long after, Bangalow level up with a great cross and a thumping header past the keeper.  
Headers' Rye Levy gets fouled and the free kick is taken by Phil Courtney, who hits a looping shot which bounces just in front of the Bangalow keeper and up into the roof of the net: 2-1 the Headers.  
With half an hour gone, Bangalow

Bangalow were doing everything to slow the Headers attackers down

have a free kick which brings a goal, to level things up again at 2-2.  
Not off-side this time, Beau Grabovsky runs to the far post, has to turn and come back and slots the ball into the net Headers 3-2.  
A nice pass out from midfield for Headers forward Phil Courtney who shoots – the keeper saves but loses the ball which spills to Ori Grabovsky who has a shot that comes back out to Phil again who makes no mistake this time: Headers 4-2 and the first half comes to a close.  
Beau Grabovsky is caught off-side again – he's too quick for the defence and the officials, as the off-sides are well into double figures by now.  
With ten minutes down Beau is through on goal and the flag and the ref don't blow up this time as he gets the Headers their fifth goal and his third. On the three quarter mark, Beau gets his fourth goal, and a little later comes off the field for the rest of the game.  
It's all one-way traffic now, as Headers forward Phil Courtney hits a shot which is tipped over the bar by the Bangalow keeper who lands hard and injures himself, holding up the game for a while, but recovers.  
With about ten minutes to go, Phil Courtney puts in a superb cross right into the dot shot area and Rye Levy meets it with a thunderous header to give the Headers a lead of 7-2.  
And right on the whistle, Bangalow Bluedogs get their third goal.

Headers keeper Graeg Stieler make a save late on at Burringbar

**Men's 6th Division**  
**Round 10 Saturday 20th June**  
**Ballina Seahorses V Nimbin Headers**  
An icy wind blew from one end of the pitch to the other in this encounter, and with that at our backs, we took a 2-0 lead into half time, courtesy of two well-taken goals from Harry Waddington and Michael Longmuir. A pair of defensive blunders in the space of 10 minutes gifted Ballina a way back into the contest until a late breakaway goal converted by Harry secured all 3 points for the visitors. 3-2 to the Headers.

**Men's 2nd Division**  
**Round 10 Saturday 20th June**  
**Burringbar V Nimbin Header**  
In Round 1 Burringbar came to Nimbin and beat them 2-1 on the back of a brilliant goal-keeping performance, with their keeper making numerous point-blank saves.  
I thought Burringbar at home was going to be tough, as they were in second and the Headers were in third spot on the ladder.  
But Burringbar were short on players due to numerous circumstances. They had the bare minimum and the Headers had one on the bench.  
The Headers started like a whirlwind and kept the intensity up for the whole 90 minutes. But Burringbar has an early corner, which is dealt with by the defence.  
Headers centre forward Beau Grabovsky has a few runs at the defence, finding his range. On the next run he goes to the goal line on the right hand side and passes out to Chilo Pike who crosses the ball for Phil Courtney to fire one past the Burringbar keeper and in off the post for the opening goal.  
The next goal comes on the 12th minute: another cross, this time by Ruben Mack to Phil Courtney, who takes the ball out of the air and with a little touch fires it past the keeper to make the score Headers 2 Burringbar nil.  
Four minutes later, Headers playmaker Phil slots in another

goal, but a Headers player was off-side.  
The game is getting a bit feisty now and a Headers player gets booked.  
Just over the half an hour mark, Headers centre forward Beau Grabovsky kicks a ball over his head which catches the keeper out as the ball loops into the right hand side of the goal, Headers now 3-nil.  
Towards the end of the first half, Beau Grabovsky gets his brace for the Headers and just afterwards gets another yellow card for a foul on the same Burringbar player as before, so he has to leave the field. So at the break the score is Burringbar 0 Nimbin Headers 4.  
Burringbar are trying to keep pace with the Headers, but their attack keeps breaking down. On 12 minutes Headers have a shot which is stopped by the keeper but not held. The ball spills out to another Headers player who fires it back – this time held by the keeper.  
With 24 minutes gone, the Burringbar Bandits get some joy with a well-taken goal that gives them hope and confidence of a resurgence. But in the next passages of play the Headers keeper makes two splendid saves, one horizontal, to push the ball round the post for a corner.  
Four minutes later Headers' Chilo Pike dribbles around a couple of defenders to slot the ball past the keeper to give the Headers their fifth goal.  
Then two Headers players get booked as the game gets heated.  
Headers' Phil Courtney picks up the ball on the half-way line and takes it to the right hand side line, going past a couple of defenders down to the goal line. Cutting back inside, he goes past a couple more defenders and flicks the ball past the keeper at the near post to give him a hat-trick for the afternoon's work.  
A few minutes later he gets injured and has to come off, leaving the Headers with nine players on the park. But the game finishes Burringbar Bandits 1 Nimbin Headers 6

**Women's 3rd Division**  
**14th June V Richmond Rovers (away)**  
This game proved to be an arm wrestle, with Rovers taking the lead and holding out wave after wave of Headers attacks. It looked to be heading for a victory for the home team until Tess Rutley slotted a nice goal to ensure the points were shared in a 1-1 draw.

**21st June V Ballina (away)**  
The rain came down and the wind blew wild on the coast making it hard for either team to play good football. Ginger O'Brien and

Continued next page

Continued from previous page

Lauren Jeffreys scored a goal a-piece to give the visitors a 2-0 lead at half time. Unfortunately, with conditions deteriorating, the referee decided to abandon the match before the second half kicked off, meaning this fixture will need to be replayed.

Women's 5th Division

**12th June V Richmond Rovers (away)**  
With Rovers sitting on top of the league, this looked like a daunting prospect for the women, but they took to their task with relish and rose to the challenge. Defending stoutly, the Headers repelled

the Lismore outfit until well into the second half, before finally being defeated 3-0.

14th June V Lismore Workers (away)

From top to bottom. Workers were at the foot of the ladder, but looked determined from the outset to change that fact. They took the lead midway through the first half, only for Jasmine Evans to finish off a good team goal for the visitors and make it 1-1 at half time. Both teams had good chances to win it, but this match was decided by a scrappy own goal that gave Workers a much-needed 2-1 victory. Needless to say the Nimbin women left feeling disappointed.

19th June V South Lismore (away)

With only 11 players available for this Friday night clash in Lismore, it was going to take a big effort from everyone. It was all Nimbin for the first 20 minutes and that was reflected in top striker Gabe Morahan scoring twice. Taking a 2-0 lead into the second half, the Headers continued in the same vein and Gabe deservedly completed her hat-trick before Souths pulled one back. Lucy White then opened her account for the away team after more great work from Gabe. And that's how it finished. 4-1 to the mighty Headers and a very satisfying 3 points in the bag.

# Nimbin Headers Juniors

by Mark Wright

The three youngest teams in the Headers this year have started their season in style, playing with undeniable enthusiasm and total enjoyment, scoring goals galore and proving to be an unstoppable force in each of their competitions.

The Grade 6's have two teams, the Nimbin Nitros and the Nimbin Naturals, and the Grade 7's are the Nimbin Eagles.

The Grade 6's players are Tamati, Kai, Lazar, Aragorn, Soloman, Layla, Luano, Sage, Kayli, and most recently Resna. They are experiencing their first year of football and have amazed all with their natural ability to play the beautiful game. Whilst winning nearly all their games, they have proved themselves to be good sports, humble in victory and gracious in defeat. These fantastic kids now know what it means to be a Header, learning all about what it takes to be part of a team and a great club. They spring from many different schools, have met through soccer and formed great friendships on and off the park.

The Grade 7's are made up of five brilliant young footballers. Brighton, with the biggest kick on the team, is a defensive workhorse, cleaning up opposition attacks then booting the ball up-field, often finding the net in the

process. Kallen is the dribbling demon of the team, weaving like a magician through the opposition to slot the ball home from close range. Emogen is the most selfless player in the squad with the most accurate passing game which she uses to great effect, winning the ball and laying off perfect passes that have led to many of the multitude of goals the team has scored thus far. Willow utilises his strength and pace to great effect, pushing the ball past defenders then shooting with power from long and short range into the goal. Last but definitely not least is Mikah, the newest player in the 7's. Mikah has slotted into the team seamlessly, playing with gusto, tackling hard and regularly chiming in with many a goal!

As coach of these three teams on Thursday afternoon training, I am enjoying my time with this great group of children. They truly are a credit to their parents and the community. They have been co-operative and attentive, and as a result their skill level and team play have reached very high standards, and all three teams are the strongest in their respective divisions. We keenly await the match of the season in the Grade 6's when the Naturals take on the Nitros in an all-Nimbin Headers home clash. I would also like to thank the parents of the Grade 6 teams who have all stood up and taken on the role of running the teams on Saturdays when I cannot be in two places at once.

Grade 7 Nimbin Headers Mikah Brighton in action v Lismore Thistles

## Nimbin Holiday Club Winter Program

The Nimbin Holiday Club is operating during the school holidays from the Nimbin Community School room at 81 Cullen Street.

The day runs between 9am and 3pm, for children aged 5 – 12. To book, phone NNIC on 6689-1692 (between

10am and 4pm) or text Kylie on 0487-576-281. Please ensure that your child wears appropriate clothing, covered shoes, brings a hat, and has adequate food and drinks for the day.

*This programme is funded by NSW DEC*

## START THE GOOD LIFE!

### READY, SET, BUILD! \$260,000

Such a great location with 1¼ acres of mostly level land enjoying superb views out to Blue Knob Mountain. At the rear of the block is a huge, quality colorbond shed which houses two fully lined rooms ready for finishing. Ideal accommodation whilst building your new home. The rest of the shed provides a double height large workshop area to work in the dry. At the back is a usable kitchen and bathroom/toilet. A great house site awaits at the front of the block to soak up the views.

### VILLAGE HOME WITH HUGE PLUS \$350,000

This two bedroom plus sleep out village home comes with the added bonus of two separate lots. Sitting on a huge 5448m2 block and enjoying its village location, the potential of this property is just waiting to be exploited. Village homes are in short supply and with these extra lots it is a rare opportunity for the investor or someone wanting the convenience of village living on a huge block. This is one not to miss.

### CONVENIENT RURAL LIVING \$365,000

Sitting on 1/2 acre in a quiet residential street just outside Nimbin, this three bedroom (plus huge rumpus space) family home offers an exceptional lifestyle. The home is very well equipped for a sustainable lifestyle, with grid connected solar and solar ready hot water systems. Garden features mature mandarin, macadamia and mulberry trees, with plenty of room for a veggie patch. Convenient to town, this property has all the benefits of rural living, without the maintenance of larger acreage.

### BUY NOW AND SAVE \$245,000

This charming weatherboard home has been relocated to this growing estate ready for a fresh start. Inside are lovely original features, timber floorboards, high ceilings, modern bathroom, 2 bedrooms + sunroom. Add your personal touches and realise its true potential. There are options for parking underneath and a verandah could take in the great surrounding mountain views. Located only a short walk to the Bowling Club, the property is eligible for the first home owner scheme, offering a \$15,000 grant.

**HUGE PRICE REDUCTION!  
OWNER WANTS A SALE**

### MOUNTAIN HIGH \$595,000

Set on a magnificent plateau is this outstanding 177 acre property which has a balance of open rich horticulture land with red and brown soil and wonderful established hardwood forest running to dense rainforest on cliff faces. New 40x60 foot colorbond shed with self contained living quarters and mezzanine in one end, workshop with two huge roller doors in the other, water tank and pressure pump. Situated at the end of the road with privacy plus, with abundance of water from creeks and spring fed dams.

### STUNNING VISTA \$430,000

Beautiful flowering gardens surround this 2 storey, 3 bedroom home set on 43 acres of rolling land. The home is ideally situated on a gentle plateau with 8 acres of cleared paddock with mature shade trees, the balance is regenerating forest. The property has an abundance of water from a spring and rainforest creek complete with swimming hole. The home has a light and airy feeling with an open plan lounge kitchen dining area and downstairs a rumpus room/workshop, laundry and toilet plus storage.

### PRIVATE WATERFALL \$230,000

180 degree views to Nimbin Rocks, Blue Knob and Sphinx Rock are extremely eye-catching from this 3 acre block. Not only are the views outstanding but there is also a lovely flowing creek with private waterfall and swimming hole. The block is located at the end of Tuls Lane and has access available to cross the creek to the remainder of the private acreage. Great building sites are available from this unique parcel of land giving you a nice touch of nature and truly spectacular views all in a top spot.

### SPACIOUS COUNTRY HOME \$259,000

This home has retained many of its original features and charm. Boasting 5 bedrooms, each with access to its own verandah, a large kitchen dining area. The lounge is the heart of the home and is warmed by a wood heating stove. Home is in a great location and would make a wonderful home for a larger family or super investment. A five-minute drive to the village centre and all its facilities make this such an ideal place to call home.

### NATURE'S PLAYGROUND \$435,000

Set on 32 peaceful acres bordering Hanging Rock Creek, this neat and tidy old farm is deceptively large. With 4 bedrooms, a closed-in veranda, slow combustion heater, small deck, bathroom with separate toilet and beneath the carpets are polished timber floors. Household water is pumped from creek to holding tanks by remote controlled pump, plus rainwater tank for drinking. The land is currently used for cattle agistment and has appropriate fencing, 6 dams cattle yards and sheds.

### LOFT APARTMENT AND WORKSHOP \$225,000

Located only moments walk from the heart of Nimbin, you'll find this funky loft apartment amongst the iconic bush theatre, cafe and shops. Overlooking lush greenery and the Mulgum Creek and bridge, this apartment offers living over three levels with a workshop located on the ground floor – perfect for an up and coming business! On the middle and top floor you'll find two large living areas with polished floors throughout.

### NO MORE BILLS \$310,000

At the end of the road and backing onto forest and cliffs, this 3 bedroom house on 2 acres is a private hideaway. Set up for self sufficiency, it boasts dual solar systems and a 300w Pelton Wheel water turbine generator for cloudy days. A wide variety of established fruit and nut trees, gravity fed spring water, 21,000 litre rainwater tank and 60,000 litre dam with pump, filter and aerator (suitable for aquaculture) create the sustainable lifestyle in an established child-friendly strata hamlet.
